

# Name That Preserve

The Essex Land Trust is excited to offer you a chance to know our preserves and town properties by testing your knowledge by identifying the location of some of our favorite spots. So, it's time to shake off those winter blues and explore some of the Essex's Open Space areas. Prizes will be given to the top ten individuals who achieve the most accurate entries.

We are calling this event the **Name That Preserve** contest although it might also be described as a scavenger hunt. Here is the idea: we have created a photo album with pictures grouped into four categories.

- **Structures** (bridges, stairs, steps, bog walks)
- **Stones & Stone Walls** (significant boulders, split rocks, memorial boulders, geodetic markers)
- **Relaxations Spots** (a place to sit down, relax and enjoy one's surroundings)
- **Notable Views** (locations that feature an inspirational view)

Explore land trust and town properties, look for the sites featured in the pictures and correctly identify the property name. To participate, fill out the following entry form and submit to the land trust email address: [info@essexlandtrust.org](mailto:info@essexlandtrust.org) Entries must be received by September 15, 2021
