## Giving to the Essex Land Trust

Over the course of the year, we receive questions about the choices available for giving to the land trust. The information below should provide the answers to most questions. If you would like to have further information, please contact the land trust by email at: [info@essexlandtrust.org](mailto:info@essexlandtrust.org)

The Essex Land Trust is an all-volunteer organization. Without the support of its members and donations, the land trust could not continue to operate.

### How can I give to the Essex Land Trust?

-  Dues enable the land trust to identify and pursue future open space opportunities, maintain the properties already acquired, and educate the community on the importance of our environmental heritage. Memberships are per family, paid annually or as a Conservator for Life, paid once.
-  Land Acquisition Fund gifts are restricted to the purchase of land or easements and to associated expenses, such as surveys and engineering studies.
-  Stewardship Fund gifts are restricted to expenses in support of maintaining our properties.
-  Unrestricted gifts may be used for the general purposes of the land trust.
-  In memory of or in honor of gifts are always appreciated.
-  As a 501(c)(3) Corporation, the Essex Land Trust is a qualified recipient of conservation land donations and easements.
-  To make a donation, please fill out this section and mail to Essex Land Trust, PO Box 373, Essex, CT 06426

### What are the benefits of membership?

Members receive our newsletter, *Woods & Waters* and receive an invitation to our Annual Meeting. Members also receive a calendar of Land Trust events, email updates, and a Trail Guide of all Essex open space preserves. Conservators are life members, who have their names placed on the bronze Conservators Plaque located at Cross Lots. The land trust operates on a calendar year with our annual membership drive kicking off in Spring. We accept membership donations at any time of the year.
