The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

The list below includes 2019 Essex Land Trust members, corporations that made matching grants, contributing foundations and organizations, and individuals in whose names we received memorial gifts. We are thankful for the support of all of our donors. It makes it possible for us to pursue our mission of acquiring and protecting open space to protect the environment and

character of our community.

We look forward to your continued involvement in 2020 and encourage you to visit our website at essexlandtrust.org where you can learn more about the Land Trust, read about upcoming events, and download our newsletter, Woods & Waters. Again, thank you for supporting the Essex Land Trust.
