The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

Essex Land Trust

Caring for Our World Here at Home

2020 Members & Contributors

As of December 31, 2020

The 2020 Essex Land Trust Members and Contributors brochure lists family, individual, and corporate memberships, contributing foundations and organizations plus those making matching grants, and individuals in whose names we received memorial gifts during the year. We also list those who have joined our Legacy Circle by deciding to include the land trust in their estate planning. The support of all donors makes it possible for us to pursue

our mission of acquiring, preserving and managing open space to protect the environment and character of our community.

We look forward to your continued involvement and support in 2021 and encourage you to visit one of our 23 preserves representing over 650 acres. Visit our website at essexlandtrust.org where you can learn more about the land trust and read about upcoming events. Thank you for supporting the Essex Land Trust."
